Nomad™ Ultra Clean Matting 4300*

Ultra clean performance Continuous efficiency

Nomad™ Ultra Clean Matting 4300 is designed to help you to fight against fine particles. It is an efficient tool to assist you in getting the ISO14644-1 certification for clean rooms Class 8 to 4.

*Former Nomad™ Contamination Control Mat

Nomad™ Ultra Clean Matting 4300

Stop fine dirt at your clean room entrance thanks to this mat made of multiple adhesive-coated layers.

Main Product benefits:

- Excellent removal of dirt and dust contaminants from the bottom of shoes and wheels thanks to a clear polyethylene sheets with a tacky top surface
 - Perfect adherence to the floor without any adhesive transfer thanks to blue or white vinyl backing
 - Sheet count and removal facilitated by alternated blue and white numbered tabs
 - Truck and cart crossing facilitated thanks to a thin mat without frame.
- In addition, this mat can be placed below doors.

Nomad™ Ultra Clean Matting 4300 is designed especially for clean room entrances in:

- Computer, Semi-conductor, Electronics industries
- Nuclear industry
- Laboratories
- Hospitals
- Pharmaceutical industries
- Vehicle paint shops
- Construction sites
